Hello I am Tanya Hull Washington's 2009 Interstate Princess. Interstate is an amazing competition between Patterned speed horse association of Washington and Western Horseman of Oregon. Each year the top ten Jr. and Sr. riders is our various speed events meet up to see which state has the best horse and rider combinations. If you have never been it is mind blowing. The princesses raise the money to hold this event each year. So thank you for your support and I hope to see you at the PSHA show as well as the race.
